ADVANCEMENT

THROUGH THE AGES

CLYDE E. BOUNDS
Superintendent of School

DEDICATION

To a faithful, trusted, and respected friend who has given us encouragement when we needed it most, inspiring words to guide us through our high school years, and helpful advice which enlightened us in our future careers. We cannot find the words to express our gratitude for all you have done for us, so, in honor and admiration, we dedicate to you, our 1963 yearbook.

FOREWORD

As man has developed both mental and physical abilities through the ages, so we, too, have progressed since we first entered school. During the Stone Age primitive man had to adapt himself to an uncivilized way of life. Although his inventions were simple and crude, they carved a path upon which future generations based and enlarged their knowledge. Our first years of school are very much similar to the days of the caveman. We found ourselves in a new environment, quite different from the sheltered lives we had led. It was during this time that we learned to write our names, to read simple little stories, and to compose lovely works of art which our parents so as not to hurt our feelings, highly praised. All these things, which seem so simple and almost insignificant to us now, were the foundations for our later studies.

The Exploration Period burst forth into full bloom as man's curiosity of the unknown was aroused. We encounter a new type of exploration at the beginning of each school term when we are given our school books. These books offer us a great deal to explore. Each page is filled with challenging pieces of knowledge for us to conquer. Exploration goes beyond our textbooks too. The world is full of undiscovered knowledge, lurking in some dark corner for someone to unveil.

The next period in history was the Medieval Period. The knights, brave, chivalrous men of the time, fought long, hard battles. They weren't the only ones though. We, too, upon reaching higher levels in school, had to fight our own battles of trying to grasp the knowledge that our teachers tried to pour into our feeble little minds. Although our type of combat was not fought with weapons, ours was probably more difficult. There was an end to the knights' battles—one being a victor, the other a loser. Our battle never ends. We have to master our enemies (our studies) and when we think we've just about won, a new enemy springs up, one more complex and more challenging.

The Revolutionary Period brought a series of wars fought by our early ancestors. Although many lost their lives, our ancestors obtained for us the most precious thing we own—our freedom. With this freedom came the right to speak and worship as we please, but, perhaps, the greatest right is being able to receive an education. Without education our civilization would not have progressed as it did.

Finally, many centuries later, the Modern Age evolved. This is the age of jets, rockets, nuclear weapons, and other scientific discoveries. It's almost unbelievable to witness the progress man has made. Looking back through our school years, will we find that we have made progress as man did from the beginning of time? Some can answer yes because they have made the best of their school days, putting forth great efforts in their studies, going beyond their books and the teachers' lectures, striving for perfection. Others merely attended school because they were forced, content to sit back and let the next person do the work. The world certainly wouldn't be what it is today if more people shared this attitude.

Soon the doors of Windber High School will close on the graduating class of 1963. We will step into a new world, one of independence, responsibility, and uncertainty. Some of us will go on to higher fields of learning to become our nation's future doctors, lawyers, scientists, politicians, and teachers. Now it is our turn to contribute to society, advancing it, modernizing it, and defending it just as man has done through the years.

PRESENTING...

FACULTY AND ADMINISTRATION

Here are the teachers, devoted, intelligent members of Windber's faculty. They are the ones who worked day after day to give us an education. They taught us to become well-rounded, responsible citizens. The successful graduates are a tribute to them because these students make them feel that all their work was not in vain.

The Windber Area School Board is composed of: *Standing:* V. Horner, E. Gahagen, P. Latchney, T. Marron, A. Malloy, M. Serrian. *Sitting:* E. Hughes, H. C. Wissinger, I. Weaver,

T. Senella, J. Hobba, C. Lawhead, M. Dzurko, H. Keller, S. Weaver.

SCHOOL BOARD

A group of earnest and hard-working people comprise the Windber Area School Board. In order to be efficient, the school board must be able to settle various problems that arise and handle financial business. The members are very dedicated and have always done an excellent job in past years. This has only been achieved through their tireless efforts and cooperation. Through their continuous devotion to their tasks our school will always be directed in the best possible way and will continue the success that it has always had.

Officers of the Windber Area School Board are: I. Weaver, *Treasurer*; T. Senella, *President*; J. Hobba, *Vice-President*; C. Lawhead, *Secretary*.

SENIOR BAND

The Windber Area High School Band, consisting of 118 members, is under the able direction of Mr. Ernest Papinchak this year. Mr. Papinchak, in his first year as our Senior Band Director, has done an excellent job in the band's many activities.

During football season our band distinguished itself in the community by its outstanding performance at half-time. Among these were "Junior Joins the Band," "The Conquest of Space," "Boy Meets Girl," and "A Day on T.V."

The band's trip to Winchester, West Virginia and their spring concert were among the many high points of the school term.

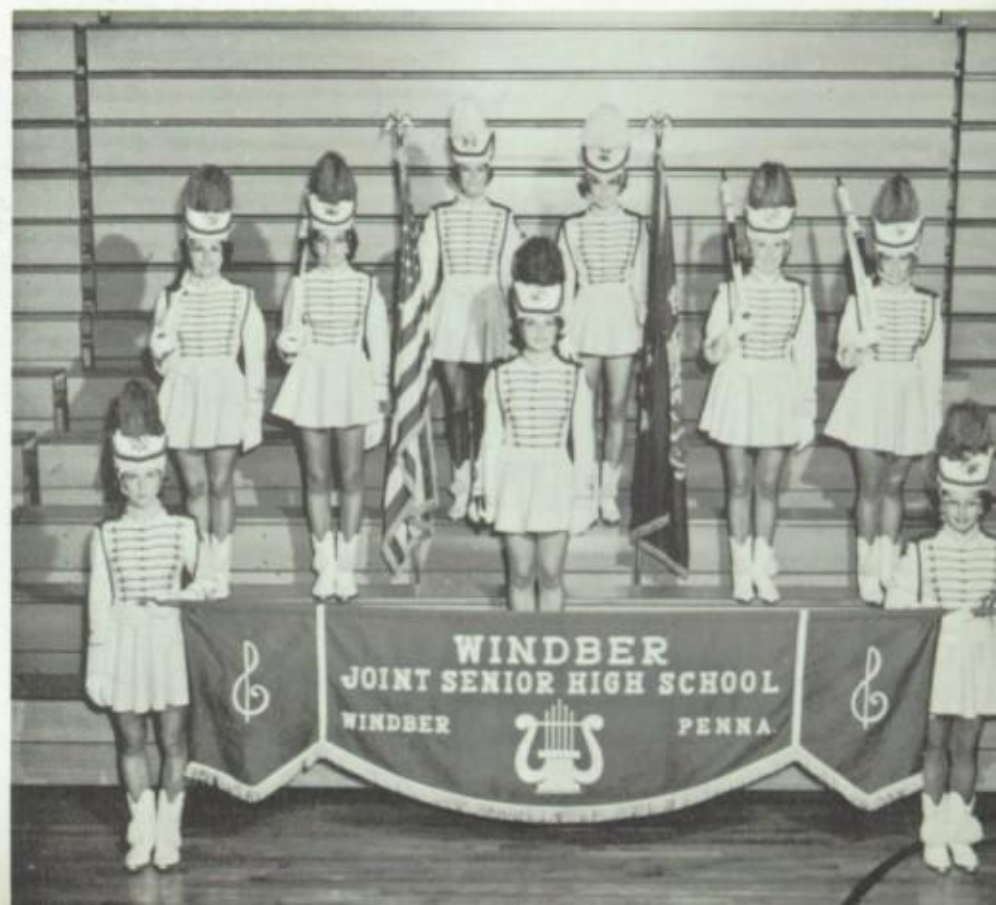

Among the money-raising projects undertaken by the band were a candy bar sale and submarine sandwich sale, which have proved to be successful in past years.

The fine work done by the Windber Senior High Band is a credit to our community and our school. The members have always been known as hard working and outstanding musicians. Our band has been noted as one of the finest bands in the state.

The Windber Area Junior High School Band has gained a new director this past year, Mr. Edward Beesoick. He has done an excellent job in training these seventh, eighth, and ninth grade students to be good musicians. These junior band members will go on to the senior band with the confidence that they are well trained in both marching and music.

Not only are they displaying true precision, but they are also showing their ability to follow directions and to enter the competitive world of today despite their young age.

This past year has enhanced even more the previous accomplishments of this fine musical organization.

STUDENT

The student body of Windber Area High School is represented by the Student Council. Each student has the privilege of selecting the kind of representation he would desire by electing a home room representative and an assistant. These elected few should have the desired qualities of leadership, initiative, and responsibility.

The officers are elected by the members within the organization. Mr. Alcamo, the council advisor, has worked this year in preparing the organization for the future. This year's officers are: Judy Facciani, President; Bill Zemcik, Vice President;

Row 1: K. Custer, S. Weaver, S. Pallo, S. Clark, C. Strapple, A. M. Costa, A. C. Krempasky, C. Cotz, D. Conjelko, B. Helman. *Row 2:* J. Bowser, J. Facciani, M. Oldham, C. Spinazzola, S. Baborik, S. V. President, B. Zemcik, listens as treasurer, R. Roberson gives his report.

President J. Facciani presides over the meeting while secretary M. Oldham takes minutes.

COUNCIL

Mary Oldham, Secretary; and Ron Roberson, Treasurer.

The main function of the Student Council is to act as the coordinating faction between the student body and the administration.

This year the Council has introduced a few firsts. For the first time in the history of the school the Student Council has adopted a constitution designed for the betterment of the school. It has also become a member of The National Association of Student Councils and affiliates this year.

R. Vittuci makes a motion on which the representatives must vote.

This committee will write the Constitution for our Student Council.

VARSITY FOOTBALL

With Mr. John Lochrie at the helm and with eight returning lettermen, the Windber eleven prepared for the oncoming season. With the steady work from Mr. Lochrie's assistants, Mr. Freeman and Mr. Flori, and a lot of hard work by the team, the 1962 season began.

As a newcomer to the Windber schedule, the boys from Redstone traveled to the Windber gridiron. Down 6-0 midway in the third period the Ramblers fought back to tie the score at 6-6. As the final gun sounded the score stood Redstone 6 - Windber 6. Windber's lone TD was accounted for on a 1 yard sweep by Virgil Palumbo.

Facing Altoona, one of the most powerful teams in Western Penna., the Ramblers were set back by a 43-13 score. Scores by the Mountain Lions on the first two plays from scrimmage seemed to take the starch out of the coaltowners. John Piatek scored both of the Rambler TD's. One on a two-yard burst and the other on the receiving end of a 23 yard pass play.

An alert defensive-minded Windber team pinned the first setback of the season on Indiana 20-6. Recover-

ing fumbles and intercepting passes the Ramblers set their record at 1-1-1. Scoring honors were shared by John Piatek and Dale Dona.

For the first time of the young season the Ramblers traveled away from home to meet their age old rivals, the Trojans of Johnstown. After a hard fought struggle the Men of Troy came out on top 25-0.

It was the second trip to the "Steel City" in as many weeks and also the second loss in two weeks. The Crushers of Bishop McCort turned back the Ramblers 32-6 in winning their 20th consecutive game. Junior halfback, Tom Tobias, scored the only Windber tally.

With all the scoring jammed into the first half, the Ramblers continued their domination over Conemaugh Twp. by carving out a 13-6 victory. With Bill Zemcik and Virgil Palumbo bearing the brunt of the Windber ground attack, the Ramblers put their first score on the board on a Facciani to Lynch aerial. Bill Zemcik, junior halfback, carried the pigskin in for the Ramblers' second score.

The Ramblers attained a two touchdown lead in the first half and added another in the third period before the Valley Trojans of Chambersburg could score. It ended 18-14 Windber. Scoring honors were shared by "Virg" Palumbo, who scored twice, and Jerry Facciani.

ventured to Homer City determined to break this perfect record. A controversial blocked punt enabled the Wildcats to chalk up their only score in the game. It appeared as if the 7-0 lead would hold up for a Wildcat victory. However, late in the 4th period, some fine running by "Virg" Palumbo set up a two yard scoring plunge by Jerry Facciani. Palumbo then swept wide for the tying point. It ended 7-7 and a blemish on an otherwise perfect season for the Wildcats.

In ankle deep snow the Sentinels of Fort Hill, Md. turned back the Windber eleven by a 20-0 count. This game will be remembered not only by the deep snow, but also by the blacking out of the stadium lights for half an hour.

To conclude the season the Ramblers were set back 20-8 by Bishop McDevitt. "Virg" Palumbo accounted for six of the Ramblers' 8 points. The other two came on a safety.

With the close of this game, the Rambler record stood for the 1962 season at 3-5-2. The developing of a good team means good hard play not by only a few players, but by the whole team working together as a unit for one and only one goal. Sure, there were mistakes and there were also bright aspects during the 1962 season. These two will be put together to try and bring about more successful seasons in the years to come.

With two returning lettermen, Coach Kaplan's cagers began their 1962-63 season. They opened with a thorough trouncing of Somerset Area in the high school gym. The first game was not an indication of what was to come as the Ramblers ended with five wins and seventeen losses. An overtime loss to Bishop Guilfoyle, early in the season, seemed to break the backs of our cagers.

However, as is to be expected, Coach Kaplan's boys had their good days on the court as well as their bad ones. Among these were victories suffered at the hands of Shanksville-Stony Creek, United Joint, Central Cambria, and twice at the expense of Somerset Area.

The losses were administered by Johnstown Central, Altoona, Bishop Guilfoyle, Westmont, Ferndale-Dale, Conemaugh Twp., United Joint, Central Cambria, Shanksville-Stony Creek, and Indiana.

Upon journeying to Johnstown to meet our age old rivals, the Ramblers were turned back by the Men of Troy to the tune of 68-34.

Plugging along, game by game, the Ramblers finished last in the Tri-County League.

All season long the Ramblers seemed to be having trouble finding the hole in the basket. The ball would hit the rim, roll around the side, bounce up and down a few times, and then, naturally, fall off the side of the rim. That's the hardluck story wrapped in a nutshell. This is justified by the fact that the Ramblers lost two overtime contests.

Barry Hobba was the season's top point maker with 189 points, followed by Jerry Facciani 176, Pete Rich 170, John Piatek 129, and Gary Heckler 97.

Senior members of the squad included Fred Gaio, John Piatek, Jack Roscetti, Pete Rich, and Mike Alexander.

The Ramblers will have 6 returning lettermen for the '63-'64 season. Here is hoping the year to come will be a little brighter and a little more promising.

SCORES

In his first year rookie coach Ed Sherlock coached his boys to an 11 and 11 record. The J.V. Zippers started out with 6 victories before suffering their first defeat. The real thriller of the season was an overtime 53-49 squeaker over Central Cambria. The little Ramblers ran into a hot bunch of Trojans at Johnstown as the Ramblers were turned back 59-17. Gary Smith was the top point maker for the J.V.'s.

BASKETBALL

The Junior High School basketball team under the direction of Mr. Flori compiled a 6-9 record during the 1962-63 season. The victories were over Ferndale, Garfield, Bishop McCort, Cochran and Keith. The leading scorer for the season was Steve Potochar.

The Junior High School football team under the supervision of Mr. DePolo and Mr. Finnegan compiled a 5-2 record for the current gridiron season. Among the victories for the Little Ramblers was a 13-12 victory over Joseph Johns Junior High School. This was the first defeat for Joseph Johns in thirty straight games.

These boys have given hopes of better varsity teams to come in Windber High School.

VARSDITY BASEBALL

The 1962 baseball squad had its ups and downs. Among its ups was a victory over the powerful Mountain Lions of Altoona at Mansion Park. A loss to Bishop McCort in the last game of the year set Windber into second place. How nice a win would have been that game to set the boys in a tie for the lead. Oh well, maybe next year!

In coaching his last season Mr. Mease came up with a winner. Among the laurels won by our track and field boys was the winning at District 5. With a lot of experience and talent returning, the 1963 track squad may look for brighter and even more promising days.

Whether the Windber team lost, tied, or won, the weather cold or rainy, you can be sure the 1962-63 cheerleading squad was on hand with their never-ending spirit to support the team all the way. Looking back the girls see hours of practice with aching muscles, but mixed among these are many joys which will be remembered far longer. With cries of "Mighty Ramblers," "Ramblers Destroy Em," and other such outbursts of spirit, these nine perky and quite peppy ladies, under the direction of Miss Dorothy Rose, led our student body in cheers at pep rallies, football and basketball games, and other activities which required school spirit.

PRESENTING ...

THE SENIORS

In the next few pages appear the familiar faces of the seniors who have labored for twelve years with their studies. Soon they will leave this school that has provided them with some pleasant memories of their school days along with the unpleasant ones. They will have to carry on the work of developing our society that our ancestors began a long time ago—strengthening it, bettering it, and defending it.

The hopeful candidates for president and vice-president about to present their speeches to the senior class members

Mrs. Weaver, the school nurse, attempts to measure "Big Bart."

Where's my Shorthand book??

A group of seniors on the way to their first period class

Nick LaPlaca and Tana Heckler are crowned King and Queen of Football by Judy Facciani and Dennis Donato.

The trumpeters play a fan-fare to announce the "royal couple."

The "crowning couple" begin the procession.

Onlooking students at the Varsity "W" Dance.

Court joins King and Queen for a dance.

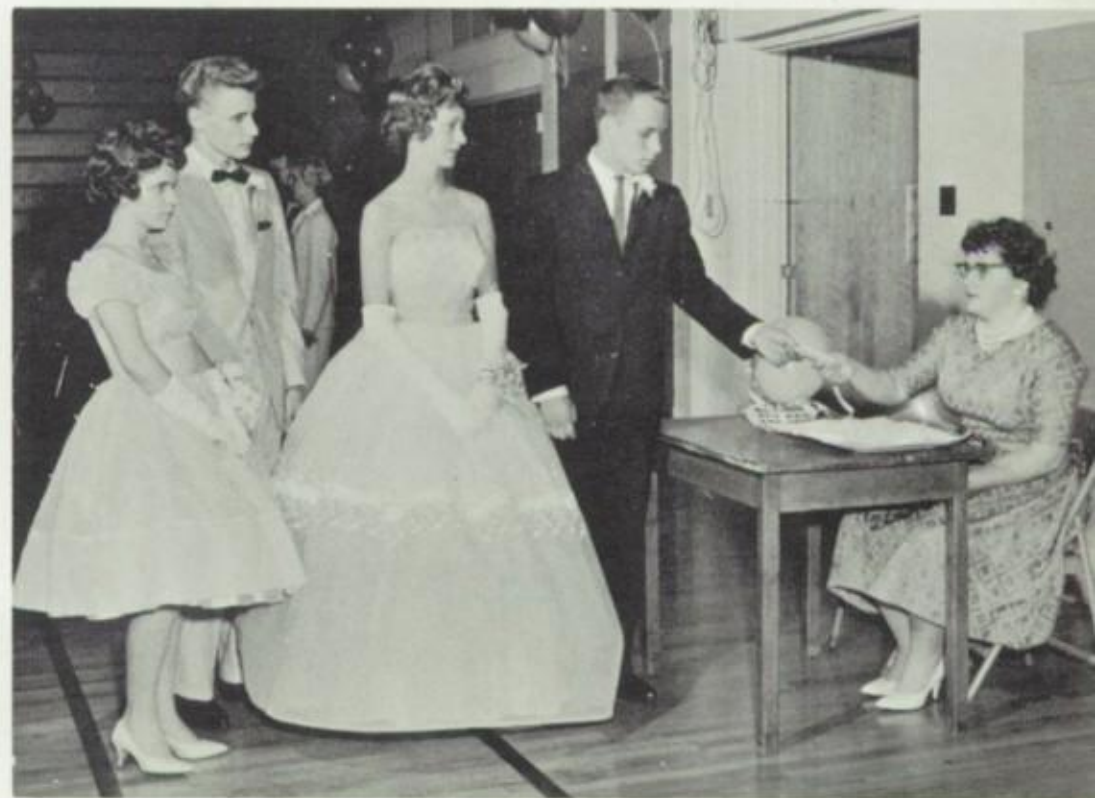

The King and Queen of Football with their entire royal court.

They can dance!
